The ARMA International Educational Foundation, a non-profit organization dedicated to funding research and education in the records and information management field, is dependent on its endowment fund. All initiatives funded by the AIEF Endowment come from the interest proceeds of the endowment contributions of individual records and information management professionals and vendor partners who recognize the importance this work.

AIEF Recognizes Chapter Foundation Champions

The backbone of the ARMA International Educational Foundation are its CFC's (Chapter Foundation Champions). Each ARMA Chapter is encouraged to appoint a CFC to serve as liaison with the Foundation Trustees and special incentives are being offered to CFC's who help promote the Foundation in their respective chapters. The goal for 2004-2005 is 75 new 5/100 Pledges, with the first payment included with the pledge form.

The current CFC Campaign is designed to recognize the CFC of the Chapter with the most new 5/100 and/or Vendor Partner sign-ups between December 1, 2004 and August 15, 2005. The CFC who gets the most qualified pledges submitted will win a PDA or digital camera to be awarded at the ARMA International Conference in Chicago.

The AIEF Track Record

To date, the Foundation has sponsored, completed and published three research projects. All three projects were presented at ARMA Conferences and are available as white papers on the Foundation website. Last year's projects were sponsored by the Houston and Calgary Chapters of ARMA. The Foundation looks forward to presenting two new research projects at the ARMA Chicago Conference, one sponsored by the Twin Cities Chapter of ARMA.
